Wholesale Trade List

..OF..

THE ELIZABETH NURSERY CO.

ELIZABETH, N. J.

Office: 96 BROAD ST. Telephone: ELIZABETH 1251.

Customers are requested to state mode of shipment, express or freight, and by what route. When none is given, will forward to the best of our judgment. In no case do we assume responsibility after goods are shipped, unless for our own mistakes.

GUARANTEE.

While we exercise the greatest care to have all trees, shrubs and plants sold by us true to name and free from disease, and hold ourselves prepared to replace, on proper proof, all that may prove to be otherwise, we do not give any warranty, expressed or implied, with respect to them. Any and all such goods are sold upon the express condition and understanding that in case any of them prove to be untrue to name, unhealthy or otherwise defective, we shall not be held responsible for a greater amount than the original price of the goods.

All claims for errors or deductions must be made immediately upon receipt of goods.

We cannot fill long lists for one or two of a kind at hundred rates; will charge at single rates; 25 of a kind at rate of 100, and 500 of a kind at rate of 1000.

Samples will be charged at hundred rates.

CLEMATIS PANICULATA.

One of the most hardy and valuable of all the small flowering varieties. Of very rapid growth, with large shining green foliage and a great profusion of beautiful and delightfully fragrant flowers, which are borne in large panicles. Very choice, perfectly hardy, and finely adapted for covering a trellis or fence. We have the largest stock of one, two and three year old plants in the United States.

No. 1, 2 Years, per 10, 70c.; per 100, \$6.00; per 1000, \$50.00

ROSES.

While we are making the culture of Roses one of our specialties, we have sold so closely in our fall trade that we are only able to offer the following varieties in two-year-old plants. There are some varieties that we would be unable to supply alone unless a general list is taken. These Roses can be shipped at any time, as we have them in our cold cellar.

Where one of a kind is wanted the price will be 15 cts. each; where 50 are wanted and not over 10 varieties, the 50 will be furnished at the 100 rates given. Those marked \$6.00 per 100 will be 6 cts. each, and those at \$12.00 per 100 will be 12 cts. each.

2 years, strong, mostly on their own roots.

CERTIFICATE.**New Jersey State Board of Agriculture.**

NEW BRUNSWICK, N. J., Oct 19, 1900.

This is to Certify, That I have this 19th day of October, 1900, examined the nursery stock growing on The Elizabeth Nursery Company's nurseries, at Elizabeth, Union County, New Jersey, and have found the same apparently free from San Jose Scale and other dangerously injurious insect pests; also, that the stock examined was in an apparently healthy condition. This certificate is good only for the shipping season of the fall of 1900 and spring of 1901, and covers only stock actually grown on the nurseries examined.

JOHN B. SMITH,
State Entomologist.
